**Helping Emerging Leaders to
Magnify and Secure Their Dreams**

**Inspirational Speaker, Career Readiness Expert,
Entrepreneur, Author**

Positioning You to Build Your Book and Become an Author

Take the guesswork out of becoming an author! You can finally learn what it takes to write and publish your book, and sell it on Amazon - FAST and EASY! How is this so? Pat will coach you through the process and help you Get Your Mind "Write" to get it done.

Inspired by her aunt, and learning she would lose her job of 15 years, Pat wrote her first book, an e-book. The next year, an eye-opening experience inspired her to write her second book in seven days. *Get Your Mind "Write"* was inspired by another experience that led to this third book to help women and others build the right mindset and confidence to become an author.

Positioning Women to Shift their Mindset and Actions. Taking you from Fear to Freedom:

You can easily break through the stagnant problems in your life with the help of Dream Building Coach, Pat B. Freeman. When you attend a workshop with Pat you will discover solution-driven steps to take so you can grow your future. A master at helping women lead with excellence and pursue their goals, Pat will guide your audience or group to break through the mystery of getting from point A to point B.

Positioning Students For Career Success:

Students in college are educated on the industry they are pursuing but they are not taught how to advance in the workplace. How can they set themselves up with a realistic vision of the future and plan for growth when they may lack the right mindset, skills, and action steps needed to be equipped to grow and to lead? That's why Pat has dedicated herself to teaching on how to proceed with confidence, provide value to their workplace and feel fulfilled. Her talks are customizable to your organization and Generation X (Post Baby Boomers), Y (Millennials), Z (iGeneration). You will improve your school performance outcomes and the student's career confidence and sustainability.

Positioning the Workforce to Move from "stuck to clarity" in areas of leadership and career growth:

Learn the 7 STEPS TO SUCCESS of her dream-building philosophy. These guaranteed steps provide the framework you need to ignite your passion and put you on the fast track of success. Pat will boost team morale, help your team see their work as their business and take ownership of their work. Her coaching and strategic training work because she has overcome the fear of the unknown and is a trusted expert with over 22 years of experience in adult education, leadership, and preparing adults for careers. Pat holds a Masters Degree in Educational Administration. Your organization will improve employee retention, teamwork, communication, and performance with Pat's system.
